### **COSTS INVOLVED**

\*We use Premium Credit Limited to provide finance exclusively. Your relationship will be with Premium Credit Limited for the finance, not with us and you will be required to enter into a credit agreement with them. If you need to amend any details, payment date or wish to cancel your plan once it is in force, please email us at [pcfcredit@compton.group](mailto:pcfcredit@compton.group). If you have no access to email then please post the completed form to the address shown above.

We do receive a commission for introducing customers to them. Your personal information and the bank details you provide to us will be passed to them and they will contact you via email or text and send PDF or word documents. Credit is subject to status and they may use a credit reference agency that leaves a record of the search or other information about you to carry out credit and anti-money laundering checks.

The interest rate charged for your finance will be 9.7% (18.9% APR). This means that for every £100.00 borrowed you will pay back £109.70.

Privacy Policy - The GDPR imposes certain obligations on organisations and gives you more control over how your personal information is used.
